MEMORANDUM FOR: The Director of Central Intelligence

1. This is to inform you that we have reached what we both regard as a workable agreement for the handling of operational approvals, covert security approvals, and proprietary approvals. As you will remember, this problem has been with us for some time, and we are happy to report that it has been resolved in a manner satisfactory to all concerned.

2. You will recall that this was one of the recommendations of the Doolittle Study Group.

3. The new procedures will be published in the immediate future.
